What is the Green Bay Rugby Club?

The Green Bay Rugby Club (GBRFC) is celebrating our 41st year of existence. We formed in 1972 and we have a successful history both on and off the field. During the last ten years GBRFC has made the Midwest playoffs eight times and have been ranked as high as fifth in the nation in DIII. In 2012, GBRFC had another successful year. Handily winning all of our league matches. We lost a close match against the Chicago Riot in the 2nd round of the playoffs..

In 2001, became an IRS 501c(3) charity. At that time we formalized our mission statement:

Green Bay Rugby Football Club, Inc is a 501c(3) charitable organization whose mission is to lead in the development and promotion of Rugby Football through the establishment and fostering of comprehensive programs within Northeastern Wisconsin and to support the growth of the United States of America as a competitive rugby-playing nation.

NEW YOUTH RUGBY. In 1995 members of our club started NEW Youth Rugby. In that first year we supported 3 local high school teams in the Green Bay area, now the league boasts 14 teams that cover the area between Fond Du Lac and Marinette. Over the years thousands of students have learned our sport. All current officers of NEW Youth Rugby are also current Celtics.

COMMUNITY INVOLVEMENT. In recent years we have become even more involved in the community. GBRFC works with Special Olympics on the Green Bay Polar Plunge as a local partner. In 2013 we again helped manage the Green Bay Polar Plunge. In 2010 we began a new tradition by hosting the 1st Annual Breast Cancer Golf Outing and Match. We have since raised \$6080 for our beneficiaries. Our players wore special commemorative pink jerseys at these matches and the jerseys were auctioned off after the game.

This year we are changing our beneficiary. We will have a Disabled American Veterans Jersey this year. \$20 from the sale of each of these commemorative jerseys will be donated to the local DAV chapter – Russell Leicht #3.

After four decades we continue to grow and lead. In late 2011 the **Northeast Wisconsin Rugby Foundation** was created to foster the continued growth of rugby in the area. Our long term goal is to purchase and develop a permanent home for rugby in Green Bay. We are also in the process of developing **Green Bay Youth Rugby**. GB Youth will be a coed flag rugby program for 2nd— 5th grade and 6th - 8th grade.

This is a good time for rugby, be a part of it.
