Dear Community Business Leader

The Wisconsin High School State Rugby tournament is held every year to celebrate the best teams in Wisconsin. In Wisconsin, rugby provides young student athletes an opportunity to learn and apply skills such as teamwork, communication, problem solving, and promotes maintaining a healthy lifestyle.

Currently in the state of Wisconsin, youth rugby has two primary conferences. The Northeast Wisconsin Youth Rugby organization consists of teams from the Green Bay, Marinette, Wausau, Fox Valley, Fond du Lac and Wisconsin Rapids area. The Badgerland region consists of teams from the Milwaukee and Madison areas. Both conferences have a long standing tradition of promoting rugby to today's youth.

Each year the Wisconsin State Rugby tournament showcases the best high school teams who have advanced to the finals. This year, the tournament is being hosted by the Northeast Wisconsin Rugby Foundation (a 501c3 organization) and will be held in De Pere, on Saturday, May 30 with a tournament bracket featuring teams from the two conferences with these games played at Quarry Park and the Division 1 and Division 2 state final games played at Schneider Field located on St. Norbert's campus.

Having the Wisconsin High School State Rugby tournament in De Pere presents an excellent opportunity for your business. By sponsoring the State Rugby tournament, your business will be exposed to hundreds of local and visiting rugby fans. There are three sponsorship opportunities. The details regarding each sponsorship level are listed on the enclosed sponsorship commitment form.
